## **Gulf Minerals strengthens Board with mine engineering skills**

Gulf Minerals Corporation Limited (**ASX:GMC**) wishes to advise shareholders that Bruce Morrin, the company's current Chief Executive Officer, has been appointed to the board of directors for Gulf Minerals in the capacity of Executive Director.

Bruce is a mining engineer having graduated from Camborne School of Mines in the UK with 45 years of experience in the copper and gold mining industries covering open pit and underground operations. He commenced his mining career on the Zambian copper belt with Anglo American, was a General Manager for African Associated Mines in Zimbabwe, a Registered Mine Manager at Mt Isa Copper Operations in Australia and a Director of copper and molybdenum mining operations in Western Australia.

Gulf's Chairman, Graham Anderson, commented....."The substantial depth of Bruce's experience in all facets of mining will add great depth to the board as the company moves forward to develop manganese mining operations in Indonesia and Turkey".
