EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolution.

1. RESOLUTION 1 – CHANGE OF PLACE OF REGISTRATION

1.1 General

The Company was incorporated on 11 May 1993 in the State of Queensland, Australia.

Due to the Company's operations and place of business predominately operating out of Western Australia, and the Company's Constitution nominating the courts of Western Australia with non-exclusive jurisdiction to settle disputes arising out of the Constitution, the Directors are of the view that the Company's place of registration should be changed accordingly.

Section 119A(3) of the Corporations Act and Part 2A.2 of the Regulations allow a company to change its place of registration provided approval is sought by way of a special resolution of its members, amongst other matters as set out in paragraph 1.2 below.

As there will be no change to the Company's registered office or principal administrative office, no ASX Listing Rules apply. Furthermore, no changes are required to be made to the Company's Constitution.

1.2 Requirements of the Corporations Act and the Regulations

Pursuant to and in accordance with Section 119A(3) of the Corporations Act and Part 2A.2 of the Regulations, in addition to the passing of a special resolution, a company must obtain the approval of the relevant minister of the State or Territory in which it is registered prior to the proposed change. The relevant minister for the State of Queensland is the Attorney-General.

A copy of both the Resolution and the approval of Queensland's Attorney-General must be given to ASIC (within prescribed timelines, where applicable), who will grant the application for the change of place of registration provided that a court has not made an order to set aside the Resolution (see paragraph 1.3 below) and ASIC is unaware of any other reason why the change should not be made.

The grant of the change of registration will be made *no less than* 28 days after receipt of the application. Shareholders should note that consent of Queensland's Attorney-General may take some time to obtain and that consequently, it is reasonable to foresee that a change to the Company's place of registration may take longer than expected to be approved and actioned.

1.3 Setting aside the Resolution

Shareholders who hold at least 10% of the votes capable of being cast on the Resolution may apply to court within 28 days of the passing of the Resolution to have it set aside. A court may order the Resolution to be set aside if it is satisfied that the applicant(s) would be unfairly prejudiced if the State in which the Company is registered were changed in accordance with the Resolution.

2. RESOLUTION 2 - CHANGE OF COMPANY NAME

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

Resolution 2 seeks the approval of Shareholders for the Company to change its name to Gulf Manganese Corporation Limited.

If Resolution 2 is passed, the change of name will take effect when ASIC alters the details of the Company's registration.

The proposed name has been reserved by the Company and if Resolution 2 is passed, the Company will lodge a copy of the special resolution with ASIC on completion of the meeting in order to effect the change.

The Board proposes this change of name on the basis that it more accurately reflects the future operations of the Company.

3. RESOLUTION 3 – ISSUE OF SHARES

3.1 General

On 13 October 2014, the Company announced that it was seeking to raise up to \$1,341,009 at a price of 3 cents per Share by way of a rights issue (**Entitlement Rights Issue**).

The Company then issued a prospectus for the Entitlement Rights Issue and 19,646,430 Shares were issued under that offer on 3 December 2014 (**Entitlement Rights Issue Shares**) and the balance within a 3 month period after the close of the offer (**Shortfall Shares**). Due to an oversight, the take up of a further 200,000 shortfall shares by to Mr Brent David Coxon <Sokan Disc A/c> (**Additional Shortfall Shares**) was not included in the Shortfall Shares. As the period to issue Shortfall Shares has expired, the Company is now seeking Shareholder approval to issue the Additional Shortfall Shares.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period, save in the case of an exception.

Exception 1 to ASX Listing Rule 7.1 permits an issue to holders of ordinary securities made pursuant a pro rata issue. Exception 3 to ASX Listing Rule 7.1 allows further issues to make up the shortfall on a pro rata issue to holders of ordinary securities.

The Entitlement Rights Issue Shares and the Shortfall Shares were issued in accordance with exceptions 1 and 2. Resolution 3 seeks Shareholder approval for the issue of the New Shortfall Shares as overlooked in the placing of the shortfall.

The effect of Resolution 3 will be to allow the Company to issue the Additional Shortfall Shares without using the Company's 15% annual placement capacity or additional 10% annual placement capacity.

3.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 3:
